

<p>1  Go to console.nfhsnetwork.com and log in. If you do not have an account, please contact accounts@nfhsnetwork.com.</p>	 <p>The screenshot shows the NFHS Network Manager dashboard. The left sidebar contains a menu with the following items: DASHBOARD, EVENTS, EVENT REPORT, HIGHLIGHTS, SBP SUPPORT, and PRODUCER SOFTWARE. The main content area on the right shows the 'NFHS Network C' dashboard with sections for 'Summary overview', 'Upcoming Events', and 'In Progress Events'. The 'PRODUCER SOFTWARE' link in the sidebar is highlighted with a red box.</p>
<p>2  Click Producer Software hyperlink.</p>	 <p>The screenshot is identical to the first one, but the 'PRODUCER SOFTWARE' link in the sidebar is now highlighted with a red box, indicating the next step in the onboarding process.</p>
<p>3  Click Producer Software</p>	 <p>The screenshot is identical to the second one, showing the 'PRODUCER SOFTWARE' link highlighted in red in the sidebar.</p>

<p>4</p> <p>Click 'here' next to NFHS Network Producer to download the .zip file.</p>	
<p>5</p> <p>Note where you are saving the file and then click Save.</p>	
<p>6</p> <p>Go to your windows file directory and navigate to the folder in which you saved your file. Then right click PlayON!+Producer+Installer+2018.xxx</p>	
<p>7</p> <p>Extract the file. This step may look different depending on which programs you use to extract the file.</p>	

<p>8</p>  <p>Once extracted, there should be another file with the same name.</p>	
<p>9</p>  <p>Doubleclick the file to run the installer.</p>	
<p>10</p>  <p>If Windows Defender is prompted, click More info.</p>	
<p>11</p>  <p>Click Run anyway to begin the installation process.</p>	

<p>12</p> <p> Click Install.</p>	
<p>13</p> <p> Wait for the installation to complete.</p>	
<p>14</p> <p> Click Next to finish installation.</p>
